Event Overview

A Record-Breaking Year for EverythingAboutWater Expo 2024

The **19th Edition of the EverythingAboutWater Expo & Conclave 2024** has been a remarkable success, once again cementing its position as South Asia's largest and most influential event in the water and wastewater industry. Held from **10th to 12th September 2024** at the **India International Convention & Expo Centre (Yashobhoomi), Dwarka, New Delhi**, the event attracted industry professionals, innovators, policy-makers, and global leaders from across the water management ecosystem.

EverythingAboutWater Expo & Conclave provides a premier platform to foster dialogue, showcase cutting-edge technologies, and present innovative solutions in water management. The Expo's goal is to connect leading solution providers with decision-makers and stakeholders in water treatment, infrastructure, and sustainability sectors. This year's event focused on addressing critical challenges, such as water scarcity, wastewater treatment, and the adoption of smart water technologies, further driving forward conversations around sustainable water practices.

Showcase Impact: Memorable Highlights

Where Did Our Show Reach?

Our show made a remarkable impact this year, with 1.70 lakh hits on our website and over 21,000 social media engagements. We received more than 15,000 inquiries, reflecting strong interest and participation. Our paid promotions also drove impressive results, generating over 68,000 actions. Additionally, the event was widely covered by news outlets and popular YouTubers, further enhancing our visibility across digital platforms.

Water Expo 2024 | Everything About Water Expo 2024 | Latest Technology & Solutions in Water sector

Memorable Highlights

Amazing moments unfolded throughout the event, from the distribution of mementos and certificates to the lively buzz around the selfie points. The walls were adorned with impressive exhibitor branding, adding to the vibrant atmosphere. The venue, IICC Yashobhoomi, stood out with its neat and clean setup, ensuring zero operational difficulties and providing a seamless experience for all attendees.

The Voice of Our Exhibitors: Sharing Their Experience

The success of EverythingAboutWater Expo 2024 is deeply rooted in the contributions of our exhibitors. Their products, innovations, and expertise have created an unparalleled platform for knowledge exchange and business growth. Here's what some of our valued exhibitors had to say about their experience at this year's event.

It was a great experience at the exhibition, showcasing diverse products, sharing experiences, and enjoying the event. The ambiance was excellent, and the space was neat and clean. Keep it up!

SINTEX BAPL

Water Expo 2024 has been amazing. We met both new and old connections and received numerous genuine inquiries that will boost our business. It's a great show with a nice atmosphere.

KYK CORP INDIA

As first-time exhibitors, we had an exceptional experience at the Everything About Water Expo 2024. The event was a great platform to connect with industry leaders and showcase our innovative water solutions.

AQUABRIM HOME APPLIANCES

The event had a decent number of participants and was well organized. The security arrangements were commendable, and overall, the experience was positive.

ERA OVERSEAS

The 19th Everything About Water Expo 2024 provided an excellent opportunity to meet potential customers. We appreciated all the support from the organizers before and during the exhibition.

PRIMEM PTE LTD

A great platform to connect with people from the same trade across the country. The event was beneficial for us, and we look forward to future editions.

CENTREPOINT LIFESTYLE

The Everything About Water Expo 2024 was a well-organized event with strong international participation. It provided a valuable platform for business promotion and networking.

RAINMAKER

The footfall was great, including prominent figures like Avinash Mishra (Niti Aayog) and DJB officials. More focus on digital transformation and consultant participation would benefit future expos.

SIEMENS

The 19th Everything About Water Expo was well-structured with reasonable pricing. Though the crowd was smaller, the quality of attendees made up for it, offering valuable business connections.

ALPHA ENGINEERING

The expo connected us with a diverse audience, including government officials and enterprise leaders. It provided invaluable feedback and fostered meaningful partnerships for future endeavors in water quality solutions.

CLUIX

Water Expo 2024 was a unique and comprehensive event, highlighting the latest technologies in water management. The expert lectures added significant value to the experience.

SOLIDARIDAD

The 19th edition of the expo brought us closer to the Indian market, receiving interest from potential clients. While the turnout was below expectations, we look forward to future editions.
